Slap case in PU with transparent flip closure and back cover in PVC for iPhone 5, Black color

The Slap case is the perfect mix of elegance and full protection for your iPhone. The opening front of the case can be closed with a magnetic clip and protects the delicate surface of touchscreen against scratches and dirt. The frontal flip is made in transparent surface, that allows a clear view on the touchscreen and a complete interaction with it without lift up the flip.

The opening of the front is easy, fast and immediate: with a simple gesture, you can access all the features of your phone. Wraps the entire surface of the iPhone for a complete protection in all situations of use. It integrates a hole for camera and flash Led flash to let you take pictures of your favorite moments without removing the phone from the case.

Features:

- made in PU material
- transparent front flip
- it allows interaction with touchscreen
- back cover for housing iPhone
- hole for camera and flash led
- access to volume keys and silent mode even when case is closed
- simultaneous protection for phone and touchscreen
